

Glen Eira-McKinnon Bowls Club

Newsletter November 2022

Taking this opportunity to raise a few items of interest:

1. A reminder that our new club shirts and handbooks are now available for collection. Shirts must be paid for prior to collection. Updated bowls rings will be supplied when you collect your shirt.
2. The Members' Handbook has a number of errors (why should this year be any different?). Please check your details and advise me ASAP if your details are not correct. I'll be distributing a list of corrections and additions as soon as possible.
3. Members are invited to support our Club by sponsoring one or more of our wonderful rink scoreboards. Take the opportunity to promote your business, honour the memory of a loved one, or show the world that you proudly support our Club. The cost is just \$120 + GST + costs for one year, or \$300 + GST + costs for 3 years. Please contact Russell for more information or to indicate your interest.
4. If you have any complaints regarding selection, please contact the selectors directly for a private discussion.
5. Please take care on the greens and in the gardens as we have repeatedly had possum entrails left by foxes in many areas around the club, and from time to time chemicals are used on the greens to eradicate algae and fungus. Ensure you wash your hands after bowling.
6. Our big day at Bunnings Moorabbin is fast approaching. We need 5 people to man the Sausage Sizzle on Sunday October 30 for each 2-hour shift. Please contact Terry if you can spare some time. Apart from supporting the Club, you will have a great time.
7. Congrats to Russell Dowling and Sue Young who were both successful in their round/s in the Sandbelt Singles last weekend. Russ is playing at 10am at Narre Warren BC, and Sue is playing at 10am at Brighton BC. Both venues are under cover so play will not be affected by adverse weather.

Happy and good bowling to you all

Rosemary
